Attention: President/Owner

I am Mr. Francis Mapula. The Financial Advisor and property manager to Mr. Morris Thompson an American who unfortunately lost his life in the plane crash of Alaska Airlines Flight 261 which crashed on January 31, 2000 including his wife and only daughter. You can read more about the crash on visiting this website below:

Since then I have made several inquires to his Embassy to locate any of my clients extended relatives, this has also proved unsuccessful. After these several unsuccessful attempts, I decided to trace his relatives over the Internet, to locate any member of his family but to no avail, hence I contacted you for your assistance. I contacted you to assist in repatriating the money and property left behind by my client before they get confiscated or declared unserviceable by the bank where this huge deposit of USD\$20.5 Million Dollars was lodged.

Consequently, the bank issued me a notice to provide the next of kin or have the account confiscated within the next fourteen official working days. Since I have been unsuccessful in locating the relatives for over 6 years now I seek your consent to present you as the next of kin of the deceased since you are not his relative so that the proceeds of this account valued at USD\$20.5 Million Dollars can be paid to you and then you and I can use it for investment purpose. I am only contacting you as a foreigner because this money cannot be approved to a local bank here, but can only be approved to any foreign account because the money is in United States Dollars and the former owner Mr. Morris Thomson is a foreigner too.

However, I would like to add here that upon your acceptance to assist me in this deal, You will be rewarded with 35% of the total sum for your honest assistance and co-operation, 10% for taxation and any expenses that may come up either by me or by you during the transfer, while 55% remain for me for investment. I intend to affect the transfer within a few days from the date of receipt of the following information from you:

1. Your Full names 2. Company Name 3. Address 4. Telephone and fax numbers.

I have all necessary legal documents that will be used to back up claims from the bank. All I require is your honest cooperation to enable me carry out this deal. I guarantee that this will be executed under a legitimate arrangement that will protect you and I from any breach of the law. Please gets back to me by fax to enable us discuss further and remember that this is a deal please keep it very secret and confidential.

Best Regards,
Mr. Francis Mapula
